

HOLIDAY APARTMENT *NEA PERAMOS*

A pretty holiday apartment with a large balcony in Nea Peramos. The apartment is situated directly at the sea and opposite to the island „Thassos“. It is suitable for up to six people.

Terrace with Ocean View

The apartment with its ocean view from the huge terrace (78 m²) is overwhelming. Far in the background you can see the island „Thassos“. In front of it there is the headland that belongs to the mainland. You have to see it with your own eyes, a single picture cannot convey this experience. Especially at night the illuminated city simply looks amazing.
